The small grassy and tree-filled area at the foot of the Delanco/Riverside Bridge has been developed into Gateway Park, a "pocket park" that has small tables, benches, and a pavilion in the center.

The bricks for the pathway in the park are available for purchase ($55.00) in memory of a loved one, your name, or a family name, or simply as a donation to the park. For $55.00, you can become part of Delanco's history!
