

What is 2-1-1?

2-1-1 is the gateway to health and social services, government assistance, and local community resources.

Callers can find assistance for everything from healthcare to housing, shelters to food banks, legal aid to counseling.

2-1-1 service is free and available throughout New Jersey 24 hours a day 7 days a week from any traditional or wireless phone as well as from TTY equipment. There is multi-lingual access, and all calls are confidential.
