

LEAF COLLECTION STARTS IN DELANCO

Starting on November 1, your Public Works Department will begin the long and difficult annual job of collecting leaves along Delanco’s curb lines. Collection will end December 31. Please note: NO BAGGED LEAVES may be placed out for collection. It will be very helpful for residents to wait to put out their leaf piles until just before the pickup.

Please remember it is against the law to pile leaves on or within ten (10) feet of a storm drainage inlet to prevent it from being blocked up and/or allowing leave debris to get into it and eventually into the creek and river. Do not mix any other debris in with the leaves as this may cause serious injury to the workers and/or costly damage to the equipment.

Below is the “Planned” collection schedule, with the town broken down into two sections covering the streets listed below. Each section is scheduled for collection on alternating weeks. This plan is subject to change due to weather issues, equipment breakdowns and personnel problems. Please do not hesitate to call the Public Works Department at 856-461-6969 should you have any questions. *With your cooperation, the job will be done more quickly and with less confusion. Thank you!*
