**DELANCO TOWNSHIP**

**ORDINANCE 2011-2**

**AMENDING CHAPTER 245-31, ET SEQ.  
OF THE DELANCO TOWNSHIP CODE  
GOVERNING THE PROGRAM FOR THE  
RECYCLING OF DESIGNATED RECYCLABLE MATERIALS  
AND MODIFYING FOR VIOLATIONS THEREOF**

**WHEREAS**, the New Jersey Solid Waste Management Act ("SWMA"), 13:1E -1 et seq., as amended by P.L. 1987, c. 102, requires each municipality within the State of New Jersey to adopt an ordinance or ordinances governing separation and collection of certain recyclable materials; and

**WHEREAS**, the Burlington County District Solid Waste Management Plan ("County Plan"), as adopted by the Burlington County Board of Chosen Freeholders ("County") and approved by the New Jersey Department of Environmental Protection ("DEP") pursuant to the SWMA, also requires each municipality within the County to adopt an ordinance governing separation and collection of recyclable materials as designated by the County Plan; and

**WHEREAS**, pursuant to the County Plan, the Department of Solid Waste (DSW) has prepared and distributed a model ordinance in a form substantially similar to this Ordinance;

**NOW THEREFORE**, it is hereby enacted and ordained by the Township of Delanco, in the County of Burlington, State of New Jersey, that Chapter 245-31, et seq. of the Township Code is hereby amended as follows:

**§ 245-31. Purpose of Ordinance.**

The Township of Delanco finds that reducing the amount of solid waste and conservation of recyclable materials is an important public concern and is necessary to implement the requirements of the SWMA and the County Plan. The recycling of certain materials from the residential, commercial and institutional establishments in this Municipality will conserve existing landfill capacity, facilitate the implementation and operation of other forms of resource recovery and conserve natural resources through reduced energy consumption, reduced water and air pollution as well as reduce the demand on raw material extraction.

**§ 245-32. Statutory Authority for Recycling Ordinance.**

This Ordinance is adopted pursuant to P.L. 1987, c. 102 (effective April 20, 1987), N.J.S.A. 40:48-2, N.J.S.A. 40:66-1 and N.J.S.A. 40:49-2.1 and any amendments adopted thereto.

USED OIL COLLECTION CENTER - shall mean the municipal recycling center that manages used oil and accepts and/or aggregates and stores used oil collected from used oil generators regulated under N.J.A.C. 7:26A-6.4 that bring used oil to the collection center in shipments of no more than 55 gallons pursuant to N.J.A.C. 7:26A-6.4(e). Used oil

accumulation centers may also accept used oil from household “do-it-yourselfer” used oil generators.

**§ 245-34. Requirements Applicable to Source Separation of Designated Recyclables.**

Notwithstanding the limitations to the Burlington County Regional Program (BCRP) or the Municipal Recycling Depot as outlined within this ordinance, every person is required to source separate and recycle each of the Designated Recyclable Materials outlined within this ordinance.

**§ 245-35. Establishment of Curbside Program.**

- A. In order to facilitate the collection of certain Designated Recyclable Materials, there is hereby established a curbside program for the collection of source separated recyclable material from residents of the Municipality.
- B. Designated Recyclable Materials for the curbside program are those materials designated by the DSW for collection within the BCRP. These materials are: Aluminum Cans, Corrugated Cardboard, Glass Containers, Paper, Plastic Bottles (Coded 1 & 2), Steel (Tin) Cans and other recyclable materials as may be designated from time to time by the DSW.
- C. Multifamily complexes of twenty (20) or more units, condominium complexes of twenty (20) or more units or mobile home parks of twenty (20) or more units, or any commercial or institutional establishment shall not receive collection under this program unless the collection location and type of containers are approved by the DSW.
- D. Collections of recyclable materials pursuant to this section shall be in accordance with a schedule of recycling collection areas and dates promulgated by DSW and publicly advertised by the Municipality or County.
- E. All residents served by the curbside program shall source separate all designated recyclables for curbside collection and shall place them at the side of the road fronting their residence in the manner designated by Section 6 of this Ordinance and on the date specified for collection.
- F. Residents who are physically unable to place recyclable materials out for collection within the Burlington County Regional Program shall be exempt from requirements for participation within the program.
  - a. Determinations for this exemption shall be at the discretion of this municipality.

**§ 245-36. Requirements Applicable to Source Separation and Collection of Designated Recyclables for the Curbside Program.**

All recyclables placed for collection pursuant to the Curbside Program established within Section 5 of this Ordinance shall be source separated and prepared for collection in accordance with the following conditions:

- A. Cardboard and paper shall be set out in carts provided by this municipality.
  - a. Boxes shall be flattened as to fit into the cart.
  - b. Where cardboard boxes are too large to be placed in the cart and where there are too many boxes to fit within the cart, cardboard boxes must be flattened and placed alongside the cart for collection.
  - c. Carts shall be placed at the curb with the lid opening facing the street.
  - d. Carts shall be placed in such a manner so as to leave at least two (2) feet of clear space around each side of the cart.
    - i. Carts shall be placed in such a manner so as to avoid interference from overhead obstructions.
  - e. Carts shall be maintained in a neat and sanitary condition so as to deter vermin and odors.
  - f. Carts are the property of the municipality and may not be used for any other purpose or to contain any other material.
- B. Glass containers, aluminum cans, steel cans and plastic bottles:
  - a. Remove all caps and lids and dispose of as solid waste.
  - b. Glass containers, aluminum cans, steel cans and plastic bottles shall be rinsed free of contaminants.
  - c. Glass containers, aluminum cans, steel cans and plastic bottles shall be placed in a recycling container provided by the Municipality.
  - d. Plastic and/or paper garbage bags shall not be utilized as containers for glass containers, aluminum cans, steel cans and plastic bottles.
- C. Municipally provided recycling carts/containers may not be used for any other purpose whatsoever.
- D. Removal of recycling carts/containers provided by the municipality by any person is prohibited.
- E. Recyclables shall not be placed for collection earlier than the evening of the day preceding a scheduled collection day. Recyclables must be placed at the roadside by 6:00 A.M. on the scheduled collection day.
- F. All other terms and phrases shall be as defined in the SWMA and regulations promulgated thereunder and the County Plan, unless content clearly requires a different meaning.

**§ 245-37. Establishment of a Municipal Recycling Depot Program.**

There is hereby established a Municipal Depot Program for the convenience of the residents. Source Separated Recyclables listed below may be brought to the Public Works Center, 750 Coopertown Road, during the times and days advertised.

- A. The following source separated recyclables will be accepted at the Municipal Recycling

Depot:

- a. Aluminum Cans
- b. Corrugated Cardboard
- c. Glass Containers
- d. Paper
- e. Plastic Bottles (Coded 1 & 2)
- f. Steel (Tin) Cans
- g. and other recyclable materials as designated by the Municipality.

**§ 245-38. Requirement to provide Common Area Recycling Storage Locations.**

- A. It shall be the responsibility of the owner or manager of every Multifamily, Qualified Private Community and Mobile Home Park to construct and maintain, in a neat and sanitary condition, Recycling Storage Location(s) and recycling containers on their property in accordance with Chapter 91-9.E of the Land Development ordinances of the Township of Delanco entitled “**Design of Containment Areas for Designated Recyclable Materials on Residential Sites**” and in accordance with the requirements of the Burlington County Department of Solid Waste Management.
- B. Designated Source Separated Recyclables:
  - Aluminum Cans
  - Corrugated Cardboard
  - Glass Containers
  - Paper
  - Plastic Bottles (Coded 1 & 2)
  - Steel (Tin) Cans
  - and other recyclable materials as designated by the Municipality.
- C. The owner or manager of each and every one of the above referenced locations shall notify all new residents within thirty (30) days of occupancy and all other residents no less than two (2) times each calendar year of the recycling location(s), the list of materials that is required to be recycled, the location of all recycling containers and the requirements of recyclable material preparation.
- D. The owner or manager of each and every one of the above referenced locations who elects not to participate in the Burlington County Regional Program shall arrange for the collection and recycling of the designated recyclable materials outlined within this section at their own expense as allowed by law.
- E. The owner or manager of each and every one of the above referenced locations shall be required to report recycling tonnages as described in Section 10, Recycling Reporting Requirements, except where collection services are provided by the Burlington County Regional Program.

**§ 245-39. Mandatory Commercial and Institutional Source Separation Program.**

All persons generating municipal solid waste within this Municipality through the operation of a

commercial or institutional establishment shall source separate and arrange for collection of all designated recyclables within thirty (30) days of the effective date of this Ordinance.

- A. Designated Recyclable Materials for the mandatory commercial and institutional source separation program shall consist of the following materials:

- Aluminum Cans
- Antifreeze
- Consumer Electronics
- Corrugated Cardboard
- Fluorescent Lights
- Glass Containers
- Lead Acid Batteries
- Leaves
- Metal Appliances
- Paper
- Plastic Bottles (Coded 1 & 2)
- Rechargeable Batteries
- Steel (Tin) Cans
- Textiles
- Tires
- Used Motor Oil
- Ink Jet Cartridge
- Toner Cartridge
- and other recyclable materials as designated by the Municipality

- B. The owner or manager of each and every Commercial and Institutional Source shall be required to report recycling tonnages as described in Section 40.
- C. The arrangement for collection of designated recyclables for disposition hereunder shall be the responsibility of the individual(s) responsible for the provision of solid waste or recycling services including the provision or maintenance of litter receptacles located on the property of any commercial or institutional establishment generating designated recyclables.

#### **§ 245-40. Recycling Reporting Requirements.**

Pursuant to 7:26A-10.3 all multifamily housing owners, mobile home parks, commercial and institutional housing owners or their agents shall report the tonnage of designated recyclable materials collected for recycling from their business or premises, as follows:

- A. The management individual(s) responsible for the provision of recycling services as herein defined at all Residential, Commercial, Institutional and Industrial properties that contract for recycling services with a private company, shall submit to the Municipal Recycling Coordinator by the First Day of February of each year, documentation verifying the previous year's total recycling (expressed by weight) for each material recycled.

- B. Documentation shall take the form of a letter or report issued by the recycling service provider or end market to the generator of the recycled material. The generator must maintain weight slips or paid invoices and make such records available for inspection by this Municipality, County or State for a period not to exceed five (5) years.
- C. Any solid waste or recycling service provider shall submit to the Municipal Recycling Coordinator, by the First Day of February of each year, documentation verifying the previous year's total recycling (expressed by weight) for each material recycled as prescribed by the DSW.
- D. At a minimum, all reporting shall detail the municipality of origin, the name and location of the market or recycling center and the amount of each source separated recyclable material, expressed in gallons, tons or cubic yards, brought to each manufacturer or recycling center from the municipality of origin. Those persons specifying this information in cubic yards shall also indicate the conversion ratio utilized for calculating the materials from cubic yards to tons.

**§ 245-41. Unlawful Activities; Nuisance.**

It shall be unlawful for:

- A. Any person, other than those persons authorized to collect any designated recyclable which has been placed at the roadside for collection or within a recycling depot pursuant to this Ordinance;
- B. Any person to violate, cause, or assist in the violation of any provision of this Ordinance or any provision of the County Plan concerning recycling;
- C. Any person to place or to cause to be placed any material other than a designated recyclable in or near a recycling depot.
- D. Any person to hinder, obstruct, prevent or interfere with this Municipality, the County or any other authorized persons in the performance of any duty under this Ordinance or in the enforcement of this Ordinance.
- E. Any person to offer to collect or knowingly collect designated recyclable materials in any manner except as source separated recyclable materials as defined herein.
- F. Any person required to provide a report as required under this ordinance to fail to do so.

All unlawful conduct set forth in this section shall constitute a public nuisance.

**§ 245-42. Non-collection of Solid Waste.**

- A. Any person collecting solid waste generated within this Municipality shall refuse to collect solid waste from any person who has failed to source separate recyclables designated under any applicable section of this Ordinance.
- B. Any person collecting solid waste generated within this Municipality shall refuse to

collect solid waste from any person who has placed solid waste into a municipally issued recycling container.

**§ 245-43. Other Means of Disposal.**

- A. Notwithstanding anything herein to the contrary, any resident of the Municipality may donate or sell any recyclable to any other person, whether operating for a profit or not for profit, provided, however, that the person receiving the recyclables shall not, under any circumstances, collect the donated or sold material from an established recycling collection route or from a recycling depot without prior written permission from this Municipality for such collection.
- B. Permission for such collection shall not be given for any day other than a Saturday or Sunday and, in no case, shall such permission be given to collect recyclables from a recycling depot.

**§ 245-44. Non-interference with Existing Contracts.**

- A. Nothing contained in this Ordinance shall be construed to interfere with or in any way modify the provisions of any existing contract which is consistent with N.J.S.A. 13:1E 29 and in force in the Municipality on the effective date of this Ordinance.
- B. No renewal of any existing contract upon the expiration of the original term thereof and no new contract for the collection, transportation, processing or purchase of solid waste or recyclables shall be entered into after the effective date of this Ordinance, unless such renewal or such contract shall conform to the requirements of this Ordinance.

**§ 245-45. Enforcement.**

- A. Enforcement of this Ordinance shall be the responsibility of Municipal Recycling Coordinator and/or Zoning Officer.
- B. In addition, the Burlington County Health Department and the DSW are hereby appointed as Enforcement Officer(s) for enforcement of all recycling requirements of this Ordinance.
- C. Enforcement of this Ordinance shall be commenced in the Superior Court or in the municipal court of the Municipality, and penalty or fine shall be collected with costs in a summary civil proceeding.
- D. Any penalties or fines collected in an enforcement action shall be paid to the Municipality when the Municipality brings such action.
- E. Any penalties or fines collected in an enforcement action shall be paid to the Treasurer of Burlington County when such action is brought by the Burlington County Health

Department or the DSW.

**§ 245-46. Schedule of Penalties.**

Any person who violates the provisions of this Ordinance shall upon conviction thereof in a proceeding before a court of competent jurisdiction be subject to the following fines:

- A. Misuse of recycling containers for trash, theft of containers: A fine of not less than sixty – five dollars (\$65.00) and not more than one hundred dollars (\$100.00).
- B. Residential Recycling Violation: A fine of not less than twenty-five dollars (\$25.00) and not more than one thousand dollars (\$1,000.00).
- C. Scavenging: A fine of not less than fifty dollars (\$50.00) and not more than one thousand dollars (\$1000.00).
- D. Commercial or Institutional Violation: A fine of not less than five hundred dollars (\$500.00) and not more than one thousand dollars (\$1,000.00).
- E. For any person who offers to collect recyclable materials in any manner except as prescribed within this ordinance: A fine of not less than one thousand dollars (\$1000.00) and not more than four thousand five hundred dollars (\$4500.00).
- F. For any solid waste or recycling service provider who fails to report as required within this ordinance: A fine of not less than five hundred dollars (500.00) and not more than one thousand dollars (\$1000.00).
- G. For any management individual(s) responsible for the provision of recycling services as herein defined at all Residential, Commercial, Institutional and Industrial properties that contract for recycling services with a private company who fails to report as required within this ordinance: A fine of not less than five hundred dollars (\$500.00) and not more than one thousand dollars (\$1000.00).

Each continuing day of violation of this Ordinance shall constitute a separate offense.

**§ 245-47. Injunctions; Concurrent Remedies.**

In addition to any other remedy provided in this Ordinance, the Municipality may institute a suit in equity where unlawful conduct or public nuisance exists as defined in this Ordinance for an injunction to restrain a violation of this Ordinance or the County Plan. In addition to an injunction, the court may impose penalties as authorized by Section 16 hereof. The penalties and remedies prescribed by this Ordinance shall be deemed concurrent. The existence, exercise or any remedy shall not prevent the Municipality or the County from exercising any other remedy provided by this Ordinance or otherwise provided by law or equity.

**§ 245-48. Construction.**

The terms and provisions of this Ordinance are to be liberally construed, so as best to achieve and to effectuate the goals and purposes hereof. This Ordinance shall be construed in pari materi with the SWMA and the County Plan.

**§ 245-49. Severability.**

The provisions of this Ordinance are severable. If any provision of this Ordinance or its application to any person or circumstances is held invalid, said invalidity shall not affect any other provision or application of this Ordinance which can be given effect without the invalid provision or application of this Ordinance.

**§ 245-50. Repealer.**

All provisions of any other ordinance which are inconsistent with the provisions of this Ordinance are hereby repealed.

**§ 245-51. Effective Date.**

This Ordinance shall become effective upon final adoption and publication in the manner prescribed by law.
