

**NOTICE OF PUBLIC INFORMATION SESSION regarding  
BURLINGTON COUNTY'S RANCOCAS CREEK GREENWAY REGIONAL TRAIL,  
AMICO ISLAND PARK TO PENNINGTON PARK PROJECT**

**Tuesday, November 20, 2018 at 7PM at  
Delran Township Municipal Building, Court Room,  
900 Chester Avenue,  
Delran, NJ 08075**

On November 20<sup>th</sup>, Burlington County is hosting a public information session on the planned construction of bicycle and pedestrian improvements through portions of Delran, Riverside and Delanco Townships in conjunction with the Rancocas Creek Greenway, Amico Island Park to Pennington Park regional trail project.

The project is part of Burlington County's adopted Parks and Open Space Master Plan and Burlington County Bicycle Master Plan. This segment of trail will connect communities from the Delran marina district and Amico Island Park, across the Riverside-Delanco Bridge, under the RiverLINE light rail by Delanco Station, to Pennington Park.

The project will include ADA-compatible improvements such as:

- Off-road asphalt paved pathway
- On-road bicycle striping, pedestrian crosswalks and signage
- Selective new installation and/or replacement of deteriorated concrete sidewalk and curb ramp improvements
- Appurtenant site furnishings and improvements

Residents who wish to learn more about the project or offer comment may meet with Burlington County staff from 7 to 8:30pm on Nov. 20 at the Delran Township Municipal Building, Court Room (900 Chester Avenue, Delran, NJ 08075). Guests will be welcome to examine design plans, ask questions, and discuss issues with representatives from Burlington County.
