

# Dark Skies Over Delanco

The Delanco EAB, featuring Delanco's own Villanova astronomer, Ed Devinney, will present a program on outdoor lighting. The presentation will include how light at night affects people, wildlife, and our view of the night sky. We will also discuss steps you can take to limit outdoor lighting while maintaining safety.

*When: Tuesday, May 7th  
6:30 – 8:00pm*

*Where: Delanco Public Library*
