BRUSH COLLECTION CHANGES

WHAT'S NEW: Beginning August 10th

Brush will be collected Monday, weather permitting.

DO NOT MIX any other debris with brush and limb pile—no trash, leaves or weeds.

Remember foreign objects mixed in with brush are dangerous to employees and can damage equipment.

Stumps must be kept separate.

All brush should be laid out in the same direction so it may be safely fed into the chipper machine.

Brush pile may not exceed **3'** wide by **8'** long by **3'** high.

**THANK YOU
FOR YOUR
COOPERATION!**

TIPS FOR A SMOOTH COLLECTION

- ✓ Place brush at the curb by 6:00am on the Monday of your Recycling Week.
- ✓ Keep the area around your pile clear of cars, mailboxes, and other obstacles.
- ✓ Do not tie, bag, or bundle brush.
- ✓ Follow size limits to help our crews work safely and efficiently.

Proper brush placement protects our workers, prevents equipment damage, and keeps Delanco looking great!
