BRUSH, LIMBS, & SHRUBS

**ALL BRUSH PICK UPS MUST BE SCHEDULED WITH THE TOWNSHIP
CALL 461-0561 NO LATER THAN THE FRIDAY BEFORE THE
SCHEDULED PICK UP WEEK**

Brush may not be placed at the curb more than 48 hours prior to the date that the pick up will begin. Pick up will be on the last Monday of month. Brush will not be picked up if your address is not on the list. Do not put brush out after our crews have been through your area. In order to provide this service to all of our residents, we must limit our pick ups to 20 minutes. Place your brush at the curb in a neat manner with everything facing the same direction. Do not block sidewalks. Do not include leaves, trash, or other materials with your brush. Foreign objects mixed in with the brush can be dangerous for our employees and can damage our equipment. The Superintendent of Public Works or his Assistant has the authority to refuse to pick up brush that does not meet these requirements. Whenever you have trees or shrubs removed from your property the contractor is responsible for disposal.
