Dear Neighbors,

As we continue to navigate social distancing challenges by spending time at home, remember, the library is always available on-line. Cardholders can access books, movies, and now magazines through these links:

Books <https://www.bcls.lib.nj.us/download-center>

Movies <http://bclsnj.kanopystreaming.com>

Magazines

Also, remember to check the two Little Free Libraries located at Zurbrugg Waterfront Park and at the Phile Field at the West Avenue Natural Trails if you prefer to hold a physical book. The library has added titles in the past few weeks.

If you have questions, need a card or other assistance getting started, please call the library (856-461-6850), email (mail@delancolibrary.org) or post on our Facebook page and someone will get back to you.

Continuing to support you virtually, we will reach out through our social media sites to engage you with positive news, new links to free resources and of course, our Friday storytime selections. *If you haven't already, please sign up for our e-newsletter through our website or call the library.*

We hope everyone stays healthy and safe and most importantly, we want you to know that we truly miss our patrons.
