February 2019

Dear Delanco Neighbor,

I am writing this letter to ask for your support of my Eagle Scout Project. My project will be the construction and installation of two "Free Little Library" locations in Delanco – one by the fields at West Avenue and the other in front of the Zurbrugg Mansion. At each location, there will be a weatherproof bookcase filled with free books as well as a convenient bench to sit and read. Users are welcome to drop a book to replace what they take to replenish the supply.

The reason I chose this for my project was because I work at my public library. Our goal is for kids and adults to always be reading. The public library is located in the middle of my town. My goal is build one little library at each end of town to make it more convenient for people to quickly get a book when the library is closed or they cannot get there. My project start date will be March 16, 2019 weather permitting.

This will be a great opportunity for you as a donor to provide a helping hand and do something truly meaningful in our community. Please donate as generously as you can. I need to raise \$2,500 to complete the project.

Thank you for your support of the scout movement over the years. We hope you will continue to help, inspire and guide us. Thank you in advance for your generosity in supporting my Free Little Libraries project.

Yours sincerely,

Jose P. Matera,
Life Scout, Troop 19, Delanco, NJ
