## THINGS TO REMEMBER:

- **LOOK BEFORE YOU LOCK**--Parents suffer from exhaustion due to lack of sleep, stress and changes in their normal routine. Any one of these can cause your memory to fail at a time when you least expect it. Even the best of parents or caregivers can overlook a sleeping baby in a car; and the end result can be injury or even death. [Click here](#) for a Safety Checklist with ideas to create simple habits to help keep your child safe. Visit [www.KidsAndCars.org](http://www.KidsAndCars.org) for additional information.
- **RECYCLING CART PLACEMENT**, where you place your cart for collection is just as important as what goes in! [Click here](#) for details.
- **GRASS CLIPPINGS** and/or other debris may not be blown into the street as it is a violation of our storm water plan and ordinance 2006-04. This type of debris can be washed by rain into the storm drains, then directly to our water supplies. Grass may be bagged and put out with your regular trash. *Let's work together to keep Delanco a Clean Community!*
